

# Instructions to Access the Infinite Campus Portal

To access the Infinite Campus Portal, go to the following link:

<https://infitecampus.nelson.kyschools.us/campus/portal/nelson.jsp>

Do NOT let your child use your name and password to log in to the portal.

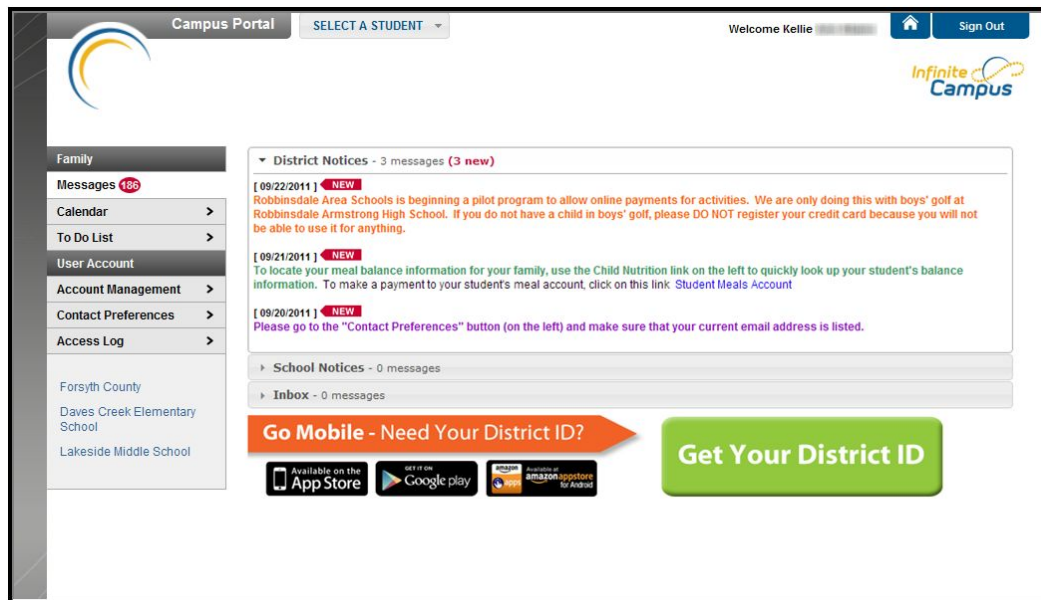

Encourage your child to log in to his/her own Portal account often to keep track of grades, etc.

If you do not yet have an account set up, you will need to get your "GUID" from your school. Make sure you get your GUID, not your child's GUID.

1. Go to the Campus Portal link (on the school web page in the useful links section)
2. Click on the "Help" icon
3. Click on the link at the end of the following sentence: "If you have been assigned a Campus Portal Activation Key, [click here](#)"
4. Enter your GUID
5. Follow the steps for the security questions and login.

After you log in, you will be able to select each child in your household and see grades, assignments, attendance, district and school building announcements, etc.

Download the app to your other personal device (IOS or Android), and access the Portal on the go. Our District ID for the mobile version of the Portal is: **SNHHYV**
