## STUDENT PARKING AND PARKING LOT PROCEDURES

Driving is a **privilege** for students of Nelson County High School and students should utilize that privilege accordingly. In order to allow for the proper use and accessibility for high school students the following guidelines will be utilized at Nelson County High School.

Only juniors and seniors will be allowed to drive. Sophomores may be approved by the principal if there are extenuating circumstances outlined in a written request submitted to the principal. **Each driver will complete in full this registration form, show their driver's license and pay a \$5.00 registration fee.** Upon completion of the registration form and payment of registration fee, each student driver will receive a parking tag which must be placed on the rear view mirror of the vehicle being driven. The parking tag will be good for one school year. You may be towed if you do not have a parking tag on display in your vehicle.

The following code of ethics for student drivers will be enforced:

1. Students are not to park on curbs, sidewalks, teacher parking lot or other non-parking spaces.
2. Students are to drive safely and responsibly.
3. Students must follow the directions/guidance from Nelson County High School administration and staff while entering and/or exiting the parking lot.

3. I will use caution and be considerate of other drivers and pedestrians while on school property.
4. I will buckle my seat belt before I pull away from my assigned parking space.
5. I understand that I am to park only in the student parking area unless I am instructed by the school principal, assistant principal, or the School Resource Officer to do otherwise.
6. I understand that I must park properly in the parking space as to not obstruct adjacent parking spaces.
7. I understand that once I have parked in the school parking area I am to go into the school building without delay.
8. I understand that once I have entered the school building I am not to return to my vehicle or the student parking area without first obtaining permission from the school principal, assistant principal, or the School Resource Officer.
9. I understand that if I leave school (i.e. withdraw from school, transfer schools, graduate early, etc.) I will return my parking tag to the school principal, assistant principal, or the School Resource Officer. **The parking tag is not transferable.**
10. I understand that I am subject to the applicable traffic laws of the State of Kentucky while on school property and that I am subject to a citation or arrest if I violate those laws.
