

FOSTER HEIGHTS ELEMENTARY SCHOOL

2018-2019 Student Handbook

211 East Muir Avenue, Bardstown KY. 40004

Phone (502) 349-7030 Fax (502) 349-7031

School Hours 8:10 AM – 3:15 PM/Office Hours 7:30 AM – 4:00PM

***Foster Heights Elementary School inspires learners,
empowers leaders, and strives for excellence.***

Welcome:

The faculty and staff of Foster Heights would like to welcome you as we begin a new school year. This handbook is designed to help you and your child become familiar with our school policies, procedures, and curriculum. We encourage you to take time to read this handbook and discuss the contents with your child. If you have any questions about the information in this handbook, please contact the school. Please review and discuss this handbook with your child/children. **Please sign and return page 14 to your oldest child's homeroom teacher.**

Visitors:

Foster Heights strives to be a welcoming school, but we take the safety of our students very seriously and appreciate your cooperation in complying with our requirements for visitors. All visitors must report to the office to sign in and pick up a visitor's pass to wear during the visit. **Please enter the school through the front doors, and report to the office. Visitors must leave a photo ID in the office throughout the duration of their visit.** Personnel will determine the appropriate measures dependent upon the purpose of the visit.

- Parents who are spending quality time with their child /children at breakfast must exit the building by 7:50 am.
- Parents coming for lunch will wait in the lobby until the class comes down and will need to leave after the lunch period is over.
- Any student work or other items (such as lunchboxes or backpacks) must be dropped off at the office, and the student will be called to the office to pick it up.
- Parents who need to visit with a teacher will report to the office, and a call will be made to the room to see if the teacher is available. However, parents are urged to make appointments with teachers to discuss students' needs or concerns.
- Changes in student transportation must be submitted to the front office in written form. They can be written in the student agenda. **Changes to after school transportation must be made by 1:30 PM each day. Due to the high volume of activity in the afternoons, transportation changes cannot be made after 1:30 PM.**
- **Per KRS 161.190: Whenever a teacher or school administrator is functioning in his capacity as an employee of a board of education of a public school system, it shall be unlawful for any person to direct speech or conduct toward the teacher or school administrator when such person knows or should know that the speech or conduct will disrupt or interfere with normal school activities or will nullify or undermine the good order and discipline of the school.**

Arrival and Dismissal:

The school day is from 8:10 AM–3:15 PM. The earliest arrival time for students is 7:30 AM. Upon arrival at school, student in grades K-1 will report to the Multipurpose Room while students in grades 2-5 will report to the gym. Children eating breakfast will be given permission from the teacher on morning duty to proceed to the cafeteria. **If a child arrives after 8:10 AM, the student must be signed in by a parent/guardian in the office.**

The first dismissal bell rings at 3:15 PM. This is for students that are car riders. Parents should follow car pick-up procedures by remaining in their cars and waiting until students are released to their care. Students will not be released from the office after 3:10.

All other children stay in the classroom with teacher until dismissed. A daycare worker will go to each classroom to pick up daycare students. All students who are riding a bus home will be sent to bus dismissal areas via a PA announcement. At the appropriate times, students riding the buses will be called to walk to their bus with a supervising teacher.

School Closing and Cancellation:

In the event of inclement weather, school cancellations will be announced as soon as possible. The Nelson County School District adheres to the following procedures in inclement weather.

- Information is available from the district through IC Messenger (automatic calling service).
- Delays and closings will be announced locally on WBRT radio, PLG-TV, and on Louisville television stations WAVE, WHAS, WLKY, and WDRB.
- If an announcement is made saying school will open at a later time, parents should not leave children at the schools earlier than the delayed starting time.

- If a delayed starting time is announced, parents and students should continue to monitor the situation because, depending on the weather, the schools could be closed.
- District child care programs may operate even if schools are closed. Check local media for announcements.
- If schools are closed, events scheduled for that afternoon and evening at the elementary and middle schools will be canceled. Some events at the high school may occur. Listen to WBRT or watch PLG-13 for information.

Best Days:

Nelson County Schools may implement non-traditional instruction days. These days will be called Best Days and may be used when school is canceled due to unforeseen circumstances (i.e. snow days). Best Days will only be used when main roads are clear but some side roads are creating problems for buses to travel safely. Best Days reduce the loss of instructional time as students continue working at home, and teachers remain available through email, Skype, phone, or other methods of communication.

If a Best Day is used, families will be notified through the Nelson County Schools website or local media.

When the announcement is made that the district is using a Best Day, parents and students will be informed that they should be completing work for that corresponding day. The work will be labeled accordingly. This work will be in a student's Google classroom.

Students will be required to complete all tasks assigned during a Best Day. Extended time will be available for those circumstances whereby the work could not be completed due to extenuating circumstances (i.e., loss of power, loss of Internet access, etc.). Students will have three school days to complete and return Best Day activities from the day it was assigned.

On Best Days, teachers will be available online or by phone during designated times. Numbers for teacher classroom telephone extensions and teacher email addresses will be provided with the Best Day Folder. Parents or students may also call the school and leave a message for a teacher.

Parents and students should not call the schools or the board of education for closing information. Phone lines need to be kept open in case of emergencies. If there are no announcements made, families can assume that the schools will be open.

Admission Guidelines:

In order to enroll at Foster Heights Elementary School in Nelson County, the following guidelines must be met by the student:

- be of legal school age
- have a birth certificate from the Department of Vital Statistics in state of birth
- present a copy of the Social Security card
- have an up-to-date immunization certificate
- have had a physical examination, copy of an eye exam conducted by an optometrist, and a copy of a dental exam
- reside with a parent, legal guardian, or legal custodian in the district served by Foster Heights Elementary

Proof of residence is required at registration. Exceptions to this are students residing outside the Nelson County District who have met the out-of-district admission conditions and paid tuition to attend.

Withdrawal Guidelines:

In the event that a child's residence changes to another school district or that his/her parents choose to enroll him/her in another school, the following procedure is prescribed:

1. The parent should visit the school in order to settle accounts with Food Services or for lost books, etc., and to confer with the child's teacher or office personnel. This also allows for the child's possessions to be given to the parents.

2. The parent should immediately enroll the child in his/her new school and have that school request all records from their former school's office.

Family Education Rights and Privacy Act:

The Family Education Rights and Privacy Act (FERPA) affords parents and "eligible students" (students over 18 years of age or who are attending postsecondary institutions) certain rights with respect to the student's education records. They are:

- The right to inspect and review the student's education records within forty-five (45) days of the day the District receives a request for access.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or in violation of the student's privacy or other rights.
- The right to consent to disclosure of personally identifiable information contained in the student's education records except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue, SW, Washington, DC 20202-4605.

Attendance-Board Policy:

The Nelson County School System believe that school attendance is critical to successful school achievement. The Nelson County School System also believes that good school attendance will lead to good attendance in the workforce, better learning in the classroom, and an overall better school experience.

Compulsory attendance law KRS 159.150 states that any student absent from school without a valid excuse for three (3) or more days, or tardy three (3) or more times, or a combination of both, is a truant. Any student who has been reported as a truant for two (2) or more times is a habitual truant. When a student is declared a habitual truant, the parent may be notified by a certified letter and/or by a personal visit. If truancy continues, both parent(s) and student may be required to attend a Truancy Mediation Program. As a final recourse, court proceeding will be instituted if truancy continues. For the purposes of establishing a student's status as a truant, a student's attendance record is cumulative for an entire school year. When students transfer from one Kentucky district to another, attendance information from the previous district shall become part of their official attendance record for that school year.

A. Excused Absences:

An excused absence or tardiness is one for which work may be made up, such as:

1. Death or severe illness in the pupil's immediate family;
2. Illness of pupil (Parent notes are accepted for five (5) all day or part of the day absences per semester for students in grades Kindergarten through fifth (k-5). All other student absences due to illness require a note from a health professional;
3. Medical, dental, or legal appointments that cannot be scheduled outside of school hours (Times and dates shall be verified by the health professional or court official.) Students will be excused only for the length of time of a scheduled doctor's appointment and a reasonable amount of travel time. Doctor's excuses shall state the dates(s) and/or number of days for which the student will be excused. When a student must miss more than five (5) consecutive school days due to illness or surgery, the parent/guardian is to contact the attendance office or the Director of Pupil Personnel who will explore the possibility of home/hospital instruction;
4. Court appearances requiring the student's attendance (The student will be excused only for the length of time of the scheduled court appearance and a reasonable amount of travel time);
5. Other valid reasons as determined by the principal (The principal's determination may be appealed to the superintendent/designee whose decision may then be appealed to the Board under its grievance policy and procedures.)

B. Unexcused Absences:

All other absences shall be considered unexcused. Examples of unexcused absences include but are not limited to:

- Out-of-school suspensions
- Vacations
- Shopping Excursions
- Missing the Bus

Nelson County School System District-Wide Dress Code Policy:

Shirts:

- Type: Polo shirt with fold-down collar, buttoned to avoid exposure; dress shirt with fold-down collar; turtleneck or mock turtleneck. **(Button-down shirts must be buttoned.) Please note that jackets are NOT considered a collared shirt and do NOT fulfill the requirement.**
- Sleeve: Shirts may be long or short sleeve (no sleeveless or sheer). Sleeves cannot extend below the wrist.
- Midriff: Front, back or side may not be exposed at any time.

Sweatshirts/Sweaters/Vests:

All sweatshirts and sweaters/vests (v-neck, crew neck, or cardigan) must be worn with dress code shirts (fold-down collar) or turtlenecks underneath. Attached hoods are acceptable but must be removed from the head upon entering the building.

Pants/Overalls:

- Colors: Any solid color
- Types: Twill, chino, corduroy, denim or jean with plain or pleated front. Elastic waist slacks may be worn. No sweat/nylon jogging pants/leggings are allowed.
- Pants are to be worn at the waist (no sagging or excessively tight pants). Overalls must be worn with shirts that have sleeves.

Skirts/Jumpers/Dresses (girls):

- Types: Twill, chino, corduroy, denim or jean (no spandex/lycra or stretch material/leggings). Must meet or extend to the knee. Slits may not be shorter than the knee. Shorts/leggings may be worn under the dress, skirt or jumper, but may not extend below the hem. Dresses must have sleeves and backs. Jumpers must be worn with shirts that have sleeves.

Walking Shorts (boys and girls):

- Types: Shorts must extend to the knee

Hats:

Hats must be removed upon entering the building.

Shoes:

All sandals or shoes must have a back.

Backpacks:

No rolling backpacks are permitted.

There are consequences if dress code is not followed. The dress code is district and school policy. If the dress code is not followed, students will be given an outfit from FRYSC. Please return this FRYSC clothing within 2 days of its use.

General Dress Expectations:

- Any apparel or appearance (including but not limited to hair color, jewelry, make-up, hair style, etc.) that calls attention to itself will be responded to as deemed necessary. The school administration has the final authority in determining appropriate school attire and appearance.
- Students may not carry or wear anything that advertises drugs, alcohol, tobacco products, or anything that promotes or suggests lewd, dangerous, or unacceptable messages.
- Clothing must not have holes or tears and must have finished hems. Pants and skirts must not drag the ground.

- Only one out of dress code day per month is permitted (or if scheduled cumulatively, cannot exceed ten per year). However, individual reward certificates can be issued for motivation. Out of code days will be determined by the school administration. Student payment to participate will not be permitted.
- While students are expected to dress appropriately at after school functions, they are not required to follow the dress code.
- Students can wear spirit wear (that does not meet the criteria outlined above) on Fridays.

Food Service-Student Meal Charges & Mealpay Plus:

A nutritious meal will be provided at Foster Heights for breakfast and lunch. Breakfast costs \$1.35 and lunch costs \$2.25. Extra food items may be purchased. Students will not be allowed to charge extra items. They must have money on their account or cash to pay for these additional items.

Lunchroom monitors cannot heat student lunches. If students choose to bring a lunch from home, it must be something that does not require heating in a microwave.

Lunchroom Manners:

Each cafeteria has an adult lunchroom monitor responsible for supervising and helping the children at meal time. These adults are hired to monitor the students and encourage good eating habits and good manners during meal time. Students are encouraged to use good manners in the dining room. This includes sitting at their seats until excused by the lunchroom monitor, talking softly at the table, and cleaning up after themselves. Students who do not follow the direction of lunchroom monitors are subject to discipline in accordance with the Nelson County Schools Code of Conduct.

Food Sale Standards:

The type of food sold in the schools will contribute to the daily nutritional needs of the children, providing healthy food choices and well-balanced meals to children, following the dietary guidelines provided by the Department of Agriculture. In order to increase the acceptance and consumption of nutritious foods, we have the opportunity of using the government program “Offer versus Serve” option at all of our lunchrooms. This provision is intended to reduce food waste by allowing children to choose three of the five meal components offered each day. Several different choices of entrée items are offered each day.

Soft drinks and restaurant foods are not permitted in the cafeteria during the school day.

MealpayPlus:

MealpayPlus provides convenience and information to better manage school meal accounts. Visit the website at www.mealpayplus.com to learn more.

Discipline:

The faculty and principal/designee shall implement the policies and procedures in the Nelson County Code of Acceptable Behavior and Discipline Manual and the Foster Heights Elementary School Student Handbook. A discipline referral form will be sent to the principal or assistant principal via Infinite Campus when a student is referred for discipline issues. A printed copy of this electronic form will be sent home. This form must be signed and returned to school.

Disruption of Instructional Time:

Instructional time is vital and must be guarded from distractions and disruptions. As such, Foster Heights Elementary School asks that phone calls to teachers occur during teacher planning periods and class visits/conferences be scheduled in advance. Teachers are not able to respond to messages immediately, but should be able to return phone calls during planning periods or after school. Emergency calls should be directed to the office.

Bus Regulations:

Providing a safe and efficient system of bus transportation for our students is an important and essential part of our school program. To ensure that our buses remain safe and secure for everyone, we ask that all students obey the following safety regulations at all times.

1. Students must obey and respect the requests of the driver.

2. No part of a student's body is to extend outside the bus at any time.
3. Students must cross the road at least 10 feet in front of the bus and look both ways before crossing the road.
4. Students shall not distract the driver.
5. Students should help keep the bus neat and clean.
6. Animals are not allowed on the bus.
7. Any item carried onto the bus must be held in the student's lap. There shall be no items placed in the seat or emergency exits. Archery equipment, large band instruments, and large projects are not allowed on the bus.
8. Eating and drinking on the bus is prohibited.
9. Students may not change seats after the bus starts.
10. Students are not allowed to change their regular patterns of transportation without a written request from the parent and approval of the school principal.
11. Students shall be at the bus stop 5 minutes prior to bus arrival.
12. Any student riding as a guest of another student must have a note signed by the office, and present it to the bus driver.
13. When boarding the bus, students are to take their assigned seat as designated by the driver.
14. Side and rear doors are for emergency evacuation only.

Students that choose not to follow the safety rules will be held responsible for their non-compliance. Corrective disciplinary measures will include parent notification, parent conferences, and as a last resort, bus suspension.

Medication:

When a child needs to take over-the-counter or prescribed medication at school, the parent's and doctor's signatures are required on the school authorization form before medication will be dispensed to the child. All medications must be in the original container and brought to school by parent. All medications are dispensed from the office by a trained staff member. This includes over the counter medication such as Tylenol, aspirin, and cough drops.

Address & Telephone Changes:

Please notify the school immediately if there is a change in your address, telephone number, babysitter, or person to contact in an emergency. This information is very important in case your child becomes ill or injured.

Grade Reporting:

Reporting of student's social and academic progress will be provided on a quarterly basis after the end of each 9 weeks. The marks a student receives may be determined by classroom participation, completion of class work and homework assignments, and demonstrated mastery of content material. Midterm progress reports are sent home each quarter for students in grades 4-5. Please check the school calendar for mid-term dates. Elementary teachers (K-5) will hold parent-teacher conferences at the end of the 1st grading period and as often as needed thereafter. Parents are strongly encouraged to attend. The chart below reflects the grading system that is used by the Nelson County School System.

Letter Grade	Numerical Scale
A	90 - 100
B	80 - 89
C	70 - 79
D	60 - 69
F	0 - 59

Parent Portal:

Nelson County School District offers parents an opportunity to view their child's attendance, progress, and grades through a program called Parent Portal. Foster Heights School offers parent portal trainings upon request. The school encourages parents to use this valuable tool to stay informed of their child's progress.

Physical Education:

Students must have tennis shoes to wear on their physical education days. It is also recommended they wear suitable clothing on those days. If a child is sick or not able to participate, a note from a parent or doctor is needed.

Promotion and Retention:

Promotion of students from one grade to the next will be based on the student's demonstration of emotional, intellectual, and academic growth during the school year. In the event a student does not show evidence of meeting the minimum expected progress, the student's teacher will notify the parent as soon as concerns are noted. The final decision to promote or retain a student shall be made by the teacher and the principal after discussion and involvement with the parents.

Extended School Services (ESS):

Through the ESS program and RTA grant, students are offered remediation in reading, math, and writing throughout the school day. Also, literacy and parent nights are offered throughout the school year to extend learning opportunities for students and parents.

Extra-curricular Programs:

Student Participation:

- A. Academic Qualifications: All participants must maintain at least an overall C average for the combination of the following classes: math, science, social studies, English language arts/reading classes and may not have an F in any course. If grades drop below the C average and/or a participant has an F in any course, the participant will meet with the principal (or designee) to conference on an improvement plan. Students will not be allowed to practice or participate in games until the qualifications are met.
- B. Behavior Qualifications: Students may not participate in practice or games during periods of suspensions (in school suspension, out of school suspension, or Horizons placement).
 1. Students with in-school suspension, out-of-school suspension, Horizons placement, or after-school detention will be ineligible for participation in games for one week. Students may be present at practice and participate in practice sessions within that week other than the day of the behavioral placement.

Academic Teams:

Foster Heights Elementary School has Quick Recall and Future Problem Solving Academic Teams. The teams practice during the school year and go into competition in February for the Governor's Cup. During competitions, all students earn points not only for themselves, but also for their school. Individuals and teams advance on their own merit from district to regional finals.

Field Trips:

In accordance with the Nelson County Board of Education Policy 09.36, students may participate in field trip experiences each year. Field trips are planned by the teachers and approved by the principal. Field trips must be educational in nature and provide opportunities for students that cannot be replicated within the school building.

Chaperone Selection:

The teacher(s) will determine the number of chaperones, if needed, for the field trip and/or activity. These parameters shall be considered in determining this number:

- Ratio of students to adult due to activity (for supervision and safety)

- Available tickets per sessions
- For specific activities, consider male/female ratios of chaperones

Teachers will send home field trip and/or activity information prior to the trip. Parents/guardians will have an opportunity to inform the teacher if he/she would be able to chaperone.

Students:

- No child shall be excluded from a field trip or activity due to the inability to pay for the cost of the trip and/or activity or due to a disability.
- Only students of the class shall be permitted to participate in the field trip.
- Chaperones may not take younger siblings on class field trips because this would distract from their ability to monitor the safety of students.

Transportation:

- Bus transportation shall be provided and approved by the Nelson County Transportation Department.
- Parents/guardians who have been chosen to chaperone may not ride the bus.
- Teacher(s) shall prepare and provide a list of students, chaperones, and teacher(s) to the office and bus driver before loading the bus.

SWAMP (Day-Care Provider):

SWAMP will be open from 6:00 AM-7:30 AM and 3:15 PM -6:00 PM Monday –Friday and 6:00 AM – 6:00 PM on non-school days. There is a charge for this service. Pre-arrangements must be made with the center to accommodate these needs. Contact the school for more information.

Lost and Found:

Lost and found items are kept in a central location at school . Students and parents are encouraged to check for lost items promptly. Unclaimed items will be donated to the Family Resource Center or Goodwill.

Solicitation:

No one is to engage in any type of buying or selling of articles on school property unless it is part of a school sanctioned fund-raising event.

Parent Teacher Organization (PTO):

The PTO meets regularly to plan ways to enhance school operations and student opportunities. If interested in learning more about Foster Heights PTO, please contact colleen.yates@nelson.kyschools.us.

School Based Decision Making Council:

The School Based Decision Making Council determines their monthly meeting date and time at the July regular meeting. This participatory management system allows for local input, involvement, and ownership in the policies, practices, and procedures that guide the total educational program at Foster Heights. Council meetings are open to the public, and all parents are invited to attend.

Telephone Usage:

Telephones are for teacher use only. Students that use their phone or school phone to call home will need to come to the office to make that call. Students are allowed to use a school phone in emergencies. Parents who need to get messages to their child(ren) need to call the school office before 1:30 p.m. and leave their message. Students will not be removed from class to receive a phone call. Teachers will relay any messages to the student. Student cell phone use will require a student to come to the office to make the call. All cell phones will remain off during school hours and placed in a backpack or purse.

If, for any reason, a student is found to be accessing offensive or inappropriate material on his/ her cell phone while at school or on Nelson County Schools transportation, the student phone may be confiscated by the school principal (or designee) or bus driver and released only to the parent when he or she comes to the school to retrieve it.

Care of School Property:

The school district provides materials, equipment, and other items for students. It is the student's responsibility to see that the item checked out to him/her is cared for properly. Students who lose, disfigure, or do other damage to school property will be disciplined and required to pay for damage done for replacement.

Foster Heights provides chromebooks to enhance the learning opportunities for students. Students are expected to abide by the [responsible use policy](#), and abide by the expectations outlined in the [chromebook user guide](#).

Students' Personal Effects:

Radios, electronic games, toys, and related contraband have no real educational value in a school setting. These compete for the student's attention or present a safety problem; therefore, they are not allowed at school. Parents are requested to actively support this school/board policy by not allowing their child/children to bring them to school. If any of these items are brought to school, they will be confiscated, and the parent will be required to pick them up in the office. They will not be returned to the student. School will not be held liable for damages or stolen items.

Safety and Security:

Foster Heights staff members are committed to the safety of each child at school. In order to ensure the well-being of all students, we ask the following:

- All visitors must come through the front office and wear a visitor sticker or name badge throughout the entirety of their visit, as well as leave their photo ID in the office.
- Individuals who see doors propped open should un-prop the door if possible and report what they have seen to the front office.
- Students should stay away from the roadways when outside.
- Staff will keep all classroom doors locked at all times. Only teachers will open classroom doors to allow entry to a classroom.
- Students with concerns about the well-being of a peer should share those concerns with a teacher or the front office staff.
- Students should listen for directions from the nearest adult in an emergency situation.
- Any suspicious behavior should be reported to the office.

Annual Title I Parent/Guardian Notification:

Foster Heights currently receives funds from the Title 1, Part A Program. Title 1, Part A is a federal supplemental program designed to help children reach high academic levels.

Parent/guardians of students at Foster Heights have the right to know the professional qualifications of the teachers instructing enrolled children. Upon parent request, and in a timely manner, parents may receive information on:

- whether a child's teacher has met the Kentucky qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- whether a child's teacher received an emergency or conditional certificate through which state qualifications were waived; and
- what degrees a child's teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

Parents may ask whether a child receives help from a paraprofessional and, if the child receives this assistance, Foster Heights will provide that parent with information about the paraprofessional's qualifications. Title I schools are also required to notify every parent when a student is to be taught for four or more consecutive weeks by a classroom teacher who is not highly qualified. Parents may also request information at any time on a child's achievement on district and state assessments as well as on the school's performance as reflected on the Kentucky Department of Education reports and K-PREP results.

Handbook Compliance Signature Page

(Please remove this page and return to school)

As a parent and/or guardian of the child/children listed below, I acknowledge that we have received the student handbook containing the rules and regulations of Foster Heights Elementary School. The signature below indicates that we have read and understand the rules, attendance policy, dress code, FERPA, and regulations of this code of conduct. We have also read and reviewed the annual Title I parent/guardian notification. For further information on school discipline, we understand we should also consult the Nelson County Code of Acceptable Behavior and Discipline Manual.
